

Enjoy Food AND Fellowship

“Secret Café” Dinners to Benefit Olympia FOR June 2010: Sunday 13th, Monday 14th, Thursday 17th

Several talented and generous cooks and hosts invite you to **Enjoy Food and Fellowship** at a series of “secret cafés” to benefit the Olympia Fellowship of Reconciliation.

Building a world of peace, justice and nonviolence is possible only if we work together – and create fellowship and a sense of community to sustain us in the struggle. Our good work requires good food too!

Enjoy this opportunity to visit with old friends and meet new ones. These “secret cafés” will occur on three dates in the greater Olympia area. They offer a variety of menus – *one with live music!* – and they also allow for a range of suggested donations to benefit the Olympia FOR’s ambitious work for peace, social justice and nonviolence. Please select one or more events to satisfy your palate and calendar.

Space is limited in the homes and all of the cooks need to know how much food to prepare, so for all events you choose **please RSVP as soon as possible to Alice Zillah, (360) 357-7705 alicezillah@yahoo.com**. In both homes, outside dining is possible (and encouraged) if the weather allows.

Yes, you may attend more than one of these!
